

Glorious Glamour

by Saxon Henry

This month, we offer a triple dose of fab furnishings by three gifted designers. If you value refinement, you'll want to take a look at other items by this talented trio.

THE SULTANS OF SUAVE

Known for tasteful furnishings, Mitchell Gold + Bob Williams tapped into the exotic beauty of Morocco with the Marrakesh Bed, with detailed turnings that epitomize its 17th-century Moorish roots. The four-poster's profile, which rises over seven feet, and the hand-rubbed maduro finish lend the bed a presence worthy of any palace. Available in queen (\$6,495), king and California king (each \$7,295) at ABC Carpet & Home, Broadway at E. 19th Street, Manhattan; 212-473-3000. For other designs, log onto www.mitchellgold.com.
